

STATSKETBALL TOURNAMENT

2020 

**Predictions.
Pursuit.
Playoffs.
Champions.**

The American Statistical Association and *This is Statistics* are challenging high school and college undergraduate students to predict the outcome of the NCAA Men's and Women's Basketball Tournament using the power of statistics.

This year's tournament features two challenges that allow you to apply your knowledge of statistics to basketball!

**Submissions are due by
March 19 12:00 pm ET.**

Brought
to you by
ASA
